

Mobile Container Terminal

OTR Driver General Safety Rules

MCT incorporates as rules, all applicable **DOT and OSHA regulations** (1910, 1917, and 1918 etc) in addition to those rules the following listed below must be adhered to while at the facility. Failure to adhere to these rules **will result** in the issuance of a **safety violation** up to but not limited to revocation of your privilege to access the facility:

- Must wear Safety Vest at all times
- Must have closed toe shoe (no flip flops, sandals, etc)
- Must have Hard Hat on if getting out of vehicle inside container yard
- Speed Limit is 15 mph
- Must wear seat belt while operating a vehicle
- Cannot use cell phone, CB radio or other mobile communication devices while vehicle is moving, this includes any type of **iPod/phone ear piece** being worn
- No walking or driving in between container stacks or rows
- Cannot leave vehicle running or unattended when out of view or more than 25 feet away
- Do not drive, stand/walk under or **touch any part of including doors handles** of a suspended container
- You are responsible to ensure that all **container doors** you have interacted with are **properly latched and secured**
- Must look in the same direction you are traveling/moving
- Slow down at intersections, blind spots and anytime your vision is obstructed
- When passing vehicles at intersections speed limit is 5 mph
- Maintain a safe distance from other vehicles, no tailgating
- No driving through lanes or yard with container doors open or unsecured properly
- Must come to a complete stop at all posted and painted stop signs

Mobile Container Terminal

- Do not **climb on any terminal equipment** to communicate with operators (yard hustlers, reach stackers, or empty handlers)
- Must **remain in truck** while waiting on terminal equipment to **mount or dismount** your container
- Must maintain your **driver side window rolled** down so you are able to hear horn from reach stacker-empty handler
- Only use designated restrooms
- No unauthorized passengers (passengers must meet facility ID requirements) or pets/animals
- Must comply with all requests given by terminal security personnel, applicable Security regulations and the approved Facility Security Plan.
